

GIVINGTUESDAY™

DECEMBER 1

Most people know about
Black Friday and Cyber Monday...
now we have

GivingTuesday, a global day of giving!

It's a movement for everyone who wants to give back, either by making a donation, volunteering time, helping a neighbour or spreading the word. Across Canada and around the world, GivingTuesday unites communities by sharing our capacity to care for and empower one another.

**Take part in the biggest global giving day
and help us meet our goals!**
